

SEN Evenings at Gambado Stevenage

An evening for children with special needs and their families to enjoy and play in our purpose built play environment. Parents can relax and enjoy a drink in our spacious seating area, safe in the knowledge that even the best Houdini will be safe with our magnetically sealed door.

Play sessions will be £4.00 per child and will include one free adult. Running from 6.00pm till 7.30pm there will be a range of activities in addition to play frames and ball pits. These will include balloon modelling, arts and crafts and circus skills. We are suitable for children aged between 0 and 12 years.

We look forward to welcoming your family to one of our fun filled evenings soon.
