Prices are dependent upon the centre and the age of the child; please visit each club's home page for more details.

Why do we charge for adults?

We charge for adults as we have strict guidelines on our capacity levels within each club. This allows us to provide a comfortable and safe environment for all customers. We provide free newspapers, magazines, TV and Wi-Fi. Adults are encouraged to use the facilities whilst supervising their children.

Why do I have to complete a registration form and why do you need my full details?

As previously mentioned we take the security of your children very seriously. Contact details for each family is a requirement placed upon us by our public liability insurers. Full registration also enables us to sign each family in and out of the club safely through our controlled gates.

What are our opening times?

Our opening times are detailed on each centre's home page. From time to time this may change but we will keep you updated via our website.

Do we run play sessions?

We do not run specific play sessions. During peak times such as schools holidays we may enforce a play limit to maintain our comfort and safety levels. You will be notified at reception, prior to entrance, if this is the case. The play session is dependent upon the weather; school holidays and peak day weekends. Otherwise please feel free to stay and play all day. Play sessions are limited to between 90 and 180 minutes.

Is there an age restriction?

Gambado is suitable for 0-12 year old children. Please note there are height restrictions on some of our rides

Can I bring guests?

Of course you can bring new guests to Gambado. Children and visiting family can be added to your family registration. Other families will be required to register.

Who supervises the children?

Parents/ guardians must supervise their children at all times. Please inform your older children of the basic rule of play to ensure a comfortable and safe visit for all. Please pay specific attention to ensuring older children do not play in the specific baby and toddler areas. These are clearly labelled. The Gambado team are around to help make your visit enjoyable and operate all rides!

In line with the local EHO and our public liability insurance adults are not permitted to leave the club whilst their children are playing. One adult (per family group), who is 18 years or over must be present in the club at all times.

Do you have a behaviour policy?

Yes! Although we totally understand children love to have fun in all sorts of ways we operate the following. Any child who behaves in an aggressive manor or continually breaks the rules of play will be brought to their parents by a member of the Gambado team who will explain the issue. We operate a 3-strike rule. If a child is brought back to their parents 3 times the family will be asked to leave. This is to ensure the safety of all children. Any abusive behaviour will not be tolerated and will result in a ban from Gambado. We are here to have fun in a safe environment, please speak to a Duty Manager if you have any further questions.

What clothing should the children wear?

Comfortable clothes, ideally long sleeved and long legged should be worn to Gambado! Socks MUST be worn at all times on the play-frames by children and adults. Please note if you are visiting one of our sites with a dodgem track this can blacken white socks due to the nature of the track. This does wash out but we advise dark socks to be worn. Trousers are preferable for the climbing wall. Only closed toe shoes may also be worn on the climbing wall. Please remove all jewellery and items from pockets too!

Do you have to be registered to have a party at Gambado?

Yes, but if you book a party with us registration is free!

Can we bring a picnic?

We operate a café in every centre, which caters for a wide range of dietary requirements. We offer healthy options as well as treats for the children. We have a menu for adults too. As a result we do not allow food or drink that is not purchased in the centre to be consumed. Please note any food that is not purchased at Gambado will be removed. If you have any questions on this please contact the Duty Manger at each centre. Their contact details can be found on each club page.

Why do we sell alcohol?

At some of our centres we sell a small selection of beers and wines. These will only be sold to parents over 21years and we operate a Challenge 25 policy. Many parents (especially those here for a party) may enjoy a beer or glass of wine. Alcoholic drinks may only be consumed in certain areas of each club and must be supervised by an adult at all times. Any unattended drink will be removed with no refund.
