### is pleased to announce our

# New Extended Schools Club

## being delivered by Fit For Sport

Fit For Sport, the UK's Leading Healthy Lifestyle Activities Provider is an OFSTED registered organisation with over 20 years experience of delivering Extended Schools Clubs. The clubs are designed to be flexible, affordable and educate the children on the benefits of leading a healthy lifestyle, while encouraging them to try their best and have FUN!

Extended Schools clubs provide children and young people with access to a variety of opportunities and support beyond the school day, as well as wider school support. High quality childcare combined with Ofsted registered activities such as multi-sports, arts and crafts and much more!

These can help raise educational achievement and children's wellbeing, as well as allow for parents to return with the peace of mind that their children are in a safe environment.
